Description

**The marina mandates stock white only
NO CUSTOM COLORS**

Rough Water Products are not your everyday cookie-cutter products that you see in many marine stores. These are high-end, high-quality, affordable products, hand built in the USA.

Rough Water dock boxes have sleek rounded edges and a curved, domed lid. This product features 2 Stainless Steel lockable latches, 5" Stainless Steel Vents on both of the smaller sides, and Gas Shocks for easy opening and has a safety feature which keeps the lid from slamming down.

- OS Dimensions - 70"W x 29"D x 33"H
- IS Bottom Dimensions -65 1/2"W x 25 1/2"D x 30"H
- Stainless steel hardware
- Ultra violet resistant white gel coat
- Stainless steel hinges on lid and are mounted with stainless steel lock nuts and machine screws. -NOT RIVETED
